

P.S. 035 Manhattan High School

Course Code: FSS65QQB/6

Syllabus for: SPANISH 5

Teacher Name: Mrs. Dubizh

Year and Term: Summer, 2019

Learning Standards:

Standard 1: Communication Skills

Students will be able to use a language other than English for communication.

Standard 2: Cultural Understanding

Students will develop cross-cultural skills and understandings.

Course Description:

This advanced class will be presented with the vocabulary necessary to communicate about specific disciplines such as science, art, literature, business and finance. The primary goal is to expand students' vocabulary and enrich their verbal ability in Spanish. Students will be come to understand the regional linguistic differences that exist in Spanish through-out the world.

Unit Map:

We will focus in more detail on the grammatical structure of Spanish and how it is distinct from English. Students will develop their Spanish expression in the written form and write narrative and expository essays that are coherent and interesting.

Some of the more advanced grammatical topics that will be covered include:

- The future and conditional tenses
- Synonyms and Antonyms
- Contractions
- Accents
