

P.S. 035 Manhattan High School Course Syllabus

Course Code: PHF11QQB/2

Course Name: Health

Teacher Name: Mr. Geller

Year and Term: Summer 2019

Learning Standards: 1: Personal Health and Fitness 2: A safe and Healthy Environment 3: Resource Management

Course Description: The High School Health Smart Curriculum reinforces concepts presented in previous health education courses. The emphasis is on development of knowledge of human sexuality, sexually transmitted diseases, drugs and alcohol and mental health issues. Reflective of the current research in Health Education, the program approach fosters personalization of the health information, facilitates group process, and appreciation for cultural diversity

Unit Map: Unit 1: Mental Health Unit 2: Hygiene Unit 4: Healthy Relationships Unit 4: Drugs and Alcohol Unit 5: Sexually transmitted diseases

Course Materials: Health Smart text/workbook and materials, newspaper articles, scientific journals, internet research, audio visual materials

Grading Policy: Class Work 30% Exams 20% Participation and Preparation 40% Homework 10%

Other Expectations: Throughout each marking period the students will be turning in various assignments. These assignments include taking daily notes, homework and in class assignments which all come together in a folder. Assignment grades will be affected if they are turned in late.

Make Up Policy:

Students are responsible to make up work from class if they are absent for any reason. Make-up work will be accepted 24 hours after their absence. Students may not make up work that they have an unexcused absence for. After three days, work is not eligible to be made up.
