Homework Guidelines

First & Last Name Mr. Turner	Period #	Date
		Assignment Name

Full Credit	Half Credit	Zero Credit
★ The assignment is thoughtful & complete	★ Missing some of the components listed ★ Assignment is handed in during the middle/end of class ★ 1 day late	★ Homework is not completed and/or is missing most of the components ★ More than 1 day late

Any work that is copied will result in an automatic, permanent zero for the assignment. This applies to the person who copied as well as the person who allowed the copying to occur.

Absences: If You...

...ARE ABSENT, THEN... It is your responsibility to show me your homework from the day you missed. I understand that you have other classes to make up work for, so I will give you 2 days to show me the assignment. If you do not hand in an assignment after 2 days, then you will earn a zero for that assignment.

...ARE ABSENT ON THE DAY OF A TEST, THEN... You will

make an appointment to make up the exam.

...WERE IN CLASS THE DAY A TEST WAS ANNOUNCED, BUT ABSENT THE DAY

BEFORE THE TEST, THEN... Unless prior arrangements are made with your teacher, you will be taking the test with the rest of your class.

Behavior Policy

Consequences: For not abiding by the general policies outlined, the following consequences will result (not necessarily in this order)

- A warning is issued
- Conference with Me
- A detention is issued
- Parents or guardians are informed
- The student is reported to the principal

The time you miss from class must be made up either after school or during lunch. If you miss more than 10 minutes of class time (an **UNEXCUSED** late), then you receive a zero for the day and must make that time up at the end of the school day or during a free period.

"We see what is behind our eyes." ~Chinese Proverb

Prepare to work hard and have fun this year. With hard work, tolerance, and responsibility you will learn how to see the world in a whole new light.
